Council 9340  
Peralta, New Mexico

The planning committee would like to propose the following scholarship program be established by the council:

That the Council offer a scholarship in the amount of \$200 to each, one catholic boy and one catholic girl, that has been accepted by the state council as our nominee for catholic boy and catholic girl of the year

That the nominee is a member of a sponsor Parish of Council 9340, or a member of our Squires circle in good standing

That this scholarship stand alone and supersede any other scholarship offered by the council

That this scholarship be offered one time per fraternal year and approved no later than the June business meeting

That the recipient has graduated high school during the current year

That the recipient have specific plans to attend some form of continuing education beyond high school

Additionally:

That the council offer an "at large" scholarship independent of the catholic boy and catholic girl scholarship program

That the at large applicant submit their application no later than June 1, of the current fraternal year

That the at large applicant be a son, daughter, grandson, or granddaughter of the council in good standing, or a member of our Squires Circle in good standing

That each recipient be approved by the council at a regular business meeting prior to awarding the scholarship

That the scholarship be shared equally every year by each approved recipient

That the scholarship to be awarded each year be limited to a maximum of \$200 per recipient and a maximum of \$800 total paid per fraternal year

That the recipient has graduated high school during the current year

That the recipient have specific plans to attend some form of continuing education beyond high school
